Our international students' academic results are exemplary. Many receive academic accolades and outstanding exam results including entry into their chosen university or career. Our vision is that the young men of Lindisfarne will be men of good character who go on to lead successful and significant lives.

Christian Dimension

At the heart of the College is our Special Character.

We inspire our boys to demonstrate courage, respect, integrity, kindness, humility and service in their everyday attitudes and behaviours.

Cultural Enrichment

We offer a rich music and arts programme with access to a modern Performing Arts Centre, quality instruments, and expert tuition.

Students can explore speech, drama, and theatre through public speaking and annual productions. With over 16 bands and ensembles, from jazz to rock and concert bands, there are endless opportunities to perform, create, and grow through the arts.
